

The faculty, staff, students and alumni of
The David Shapell College of Jewish Studies

Midreshet Rachel v'Chaya Women's College of Jewish Studies
mourn the passing of

DAVID SHAPELL ז"ל

visionary, benefactor and pillar of our institutions.

David, together with his eishet chayil Fela, until 120,
prospered by building houses in California,
and fulfilled their destiny by helping us build thousands of
Jewish homes and families in Israel and throughout the world.

Their contribution to Jewish education, the State of Israel and Holocaust awareness
will impact generations to come.

May Hashem comfort Mrs. Fela Shapell,
her children Rochelle, Benjamin and Irvin, spouses,
grandchildren and great grandchildren among the mourners of Zion and Jerusalem.
